Reporter ; Del Jones d/b/a USA Today Corporate Management reporter.

Defendant's

Complaint

42 USC 1983. I seek \$35 million because I'm denied USA today at a respected price, I'm in Solitary at FCI Williamsburg. I only make .12¢ a month. FCI Williamsburg won't let me have USA today. Defendants don't report my rapid weight loss due to no food. I'm sick; weak, I got bowel problems, and my kidneys hurt. They don't report Federal prison abuse, instead they focus on Cuba's Guantanamo Bay. This is neglect I seek money for civil rights violation.
